Around
the Square

In the week following "Dollar Days" we had a rather frantic telephone call from Dotie Underwood, who had stopped by Don Jackson's to pick up an ad. "I can't get him to pay me the least bit of attention!" she complained. "He's playing with a yo-yo!"

Considering the sales period he had been through, with the pressure further intensified by an "Anniversary Sale," we figured that Don might be seriously dollar-dazed.

By now, however, we're glad to report that he's back to normal. No more yo-yo.

Larry Washburn, more formally known as City Councilman Charles Lawrence Washburn, principal figure at the Bassett-Washburn Nurseries, who also is the city's Water Commissioner, has taken a bit of envious ribbing from his friends since the sale of the nursery, world-famous for its size and its Kentia palms. But those who have tried to heckle him with remarks about the danger of income taxes and trips around the world (which he isn't planning) have had to take a back seat to one of his pals who, viewing Larry's new blue Buick, remarked in pretended disgust:

"Wine wheels yet! How old can this hot rod be? Those things were the rage in 1923!"

The sidewalk blackboard in front of Harry Lange's realty office is headed with the figures: \$7222, but all you house hunters had better take a second look before you leap. Below the figures is a Red Cross poster. The \$7222 represents the goal set for the local Red Cross Chapter in the March campaign.

That's almost enough to make a down payment on a pup tent these days.

Like a good many in Sierra Madre, we admire old cars that still give service—even though we're occasionally forced to buy a new one. We have a Buick in the family that has been a local servant and good friend for 15 years. Whenever anyone refers to it as "that old Buick," we pat it on a fender with words of endearment to soothe the insult.

When a bird attacked one of its hub caps the other day, fighting its own image, we complimented the car on its durable polish. A few minutes later the foot throttle stuck, and we went roaring down East Grandview at what seemed like 100 miles per hour.

Don't tell US that a few kind words won't put new life into almost any (begging her pardon) "old gal!"

MOVIE TICKETS ON SALE

Tickets are still being sold for the motion picture, "You Can't Take It With You," sponsored by Boy Scout Troop 3 for showing at City School March 30. The special program, which will include a cartoon and selected short subjects, will begin at 2 p.m., with a second showing at 7:30 p.m.

Proceeds from the sale of tickets will go towards permanent camping equipment for the troop.

Once-a-Year Memberships Are Open For Community Concerts

Every Sierra Madre resident interested in becoming a member of the Foothill Community Concert Association will be given the opportunity the week of April 6 when the once-a-year membership canvass begins.

Mrs. Herbert L. Brown will serve as campaign chairman here, according to announcement today by Heyward L. Willard of Monrovia, president of the concert group, and Sierra Madre headquarters will be established for the week at the Pangborn Realty Co., 344 East Sierra Madre Blvd.

Working with Mrs. Brown in taking memberships will be a group of well-known residents, including Mrs. Noren Eaton, active in the concert organization and who is not only a board member but this year is serving as head of the nominating committee composed of: Mr. and Mrs. Charles Skutt, Mr. and Mrs. A. E. Morgan, Mrs. P. R. Woodworth, Mrs. Stanley Fish, Miss Jessica Sprague, Mrs. Ione Ward, Mrs. Daniel L. D'Arcy and Mrs. Hugh Colvin. Mrs. Brown, whose activities

School Board Member Seeks Re-election

At a meeting of the School Board last Tuesday evening, Howell N. White, Jr., filed for re-election at the May 15 annual election of school trustees.

Trustees are voted into office for three years. The others on the board are Mrs. Stanley Coutant, whose term expires in May, 1954, and Dr. Milton Valois, whose term expires next year in May.

After studying the cause of recent explosions of hot water heaters in Glendale and Claremont schools, the board voted to improve the safety devices on the hot water heater at City School.

Another item on the agenda was the reading of a report from the County Superintendent of Schools, which shows the cost per pupil at City School to be \$205.21 per year. The county average is \$226.12.

Red Cross At 40 Pct. Mark In Fund Drive

Tuesday afternoon Miss Clara L. Sykes, treasurer of the Sierra Madre Fund Campaign, reported that the local Red Cross returns had reached \$2929, or 40% of the \$7222 budget. Mrs. Leo H. Meyer, Fund Campaign chairman, says that this is comparable to last year's returns at this time.

Twice a week the Fund Campaign indicator in front of Roberts Market is brought up to date, says Mrs. Meyer, so that everyone may keep track of the collection returns.

Mrs. Florence H. Peterson, local chapter secretary, received a letter recently from David H. Kline, assistant field director of the American Red Cross in Korea. Mr. Kline wrote, "For some time we here in Korea have been thinking of writing to you and telling you how much we appreciate the fine work your chapter is doing, particularly as it regards servicemen and their families."

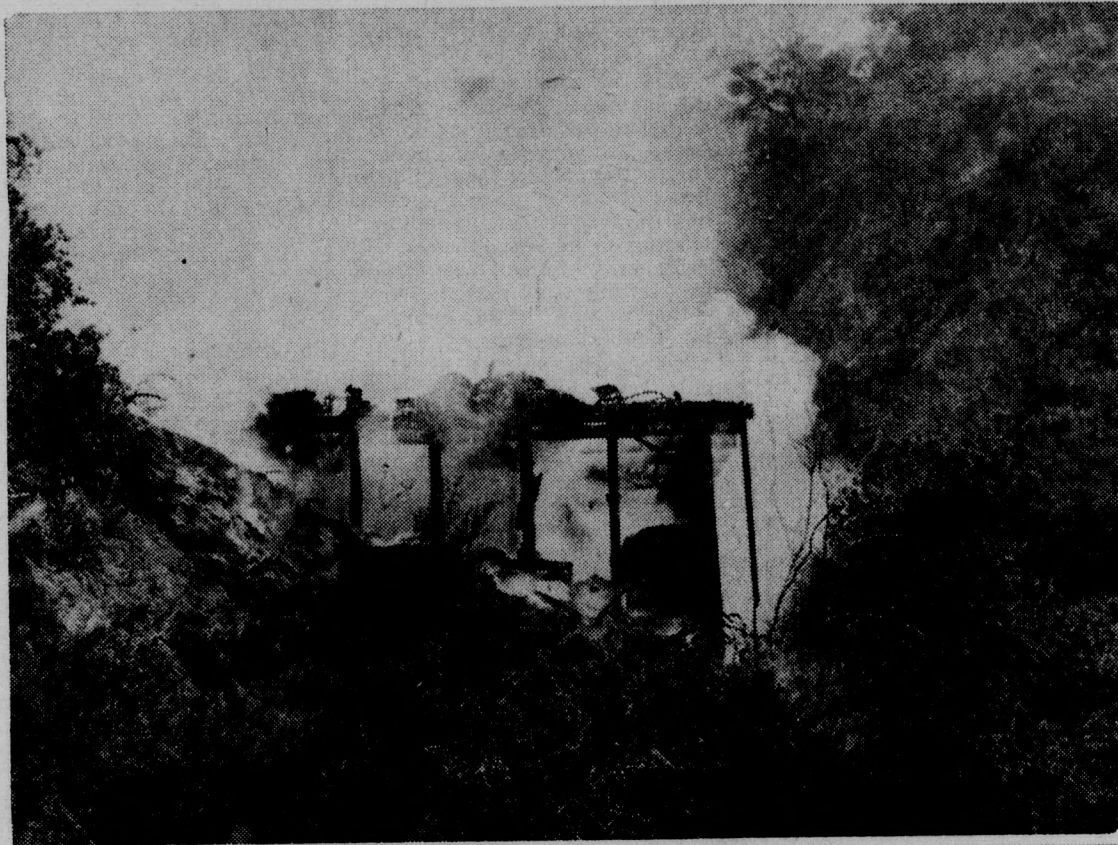

Mr. Kline goes on to say that it often takes almost a month to get a health and welfare report on a soldier in Korea. "This isn't due to the mail. It is caused by the rugged terrain and the difficulty our field directors have in traveling and locating the servicemen. It may seem hard for you to understand, but there are no paved roads in Korea. Our field directors average about 1000 miles a month, at an average speed of from 5 to 15 miles per hour."

SERVICES PENDING FOR L. I. RHOADES

Funeral services for Lester Ira Rhoades, 54, who died in the fire at his home, 595 Yucca, Tuesday morning, are pending at Grant Chapel until further location of relatives can be made.

At present date it is known that he is survived by his wife, Mrs. Elizabeth Rhoades of Fresno; a daughter, Mrs. Betty Davies of Portland, and another daughter, Frances.

He had been a veteran of World Wars I and II.

THE BODY OF LESTER IRA RHOADES, 54-year-old former real estate broker, lay on the kitchen floor of the flaming house shown above when this picture was taken Tuesday morning at 595 Yucca in the Canyon. In the picture below, Sierra Madre Volunteer fire fighters climb the many steps up the incline leading to the three-room cabin. (News photo by Pete Ward.)

AS THE FIRE SPREAD INTO THE HILLS, men of the U.S. Forest Service joined the Sierra Madre firemen in a flanking attack upon the blaze that spread through three acres of dry brush and trees before it was brought under control. Shown in the picture are Gabby Udell, top left; Annie Richter, center, and an unidentified member of Nature's Friends Club—all of Sierra Madre. (News photo by Pete Ward.)

Edison Strike Comes Closer To Community

The strike of approximately 3700 electrical workers against the Southern California Edison Co. has come closer to Sierra Madre with the news that the Edison plant in Monrovia, as well as the commercial office, is being picketed. So far no pickets have appeared locally.

While bargaining between union officials of Local 47, I.B.E.W., A.F.L., and the company continues, the office of Carl O. Wedberg, manager for the Monrovia District of the Edison Co., reports that several hundred electrical workers within the Southern California area have returned to work.

Rescue Crew Makes Search In Two Units

The Sierra Madre Search and Rescue Crew was busy again last weekend when 12 of the rescue men reported for two separate missions Saturday night. The first was to Chantry Flats, requesting help in bringing out a stretcher case, and the second was to the vicinity of Mt. Wilson for two San Gabriel boys, Ronald Martinsen, 13, and David Miller, 14, who were reported lost with their dog near Orchard Camp, a halfway point.

Crew members Earl Lalone, Edward Lalone and Boyd Keith answered the call to Chantry Flats, where they helped carry out Ronnie Slagle of East Los Angeles, one of a party of Boy Scouts camped at the Winter Creek Camp Grounds.

Slagle, knocked unconscious from a fall, suffered mostly from shock. Bill Adams and Hubert Herrick of the Chantry Flats Pack Station—two of several men pictured and interviewed in the January 29 issue of The News in regards to a history of similar cases—called the Rescue Crew and were

Fire That Kills Resident In Home Spreads North To Hills

A blaze that began in the home of a Sierra Madre Canyon resident Tuesday morning swept into the northern hills in what threatened to be a forest fire of great destruction, until the Sierra Madre Volunteer Fire Department, in co-operation with the U.S. Forest Service, fought the burning three-acre area to controllable proportions.

Mayor Receives White House Communication

The Mayor of Sierra Madre recently has received an expression of thanks from the President of the United States. In a letter addressed to Mayor Henry F. Korsmeier, Thomas E. Stephens, Acting Secretary to the President, wrote as follows:

"The President has asked me to thank you for your courtesy in sending him a copy of the proclamation designating March 4 as 'President's Day.'"

"He is most appreciative of this action and is grateful for the assurance that prayers will be offered on that day for the guidance of the Chief Executive."

Skutt Gives Schedule For Trustee Election

Charles Skutt, Superintendent of City School, has announced the trustee election schedule as follows:

March 22—Registration of voters closes for trustee's election.

April 15—Last legal date for filing declaration for candidacy. Blanks are available at the City School office, or at the office of County Superintendent of Schools.

May 15—Annual election of school trustees. The polling place is City School. Polls will be open from 7 a.m. to 7 p.m.

Howell N. White, Jr., is the trustee whose term expires this year.

Campfires Study Soil Conservation

All Campfire Girls who are working on the National Birthday Honor, "Soil Conservation," are eligible to attend a trip through the Sierra Madre Water Department conducted by Water Superintendent Al Freeland this Saturday. The girls and their leaders are to meet at the Youth Hut at 10 a.m.

The occasion is part of the "Birthday Week" activities celebrated by Campfire Girls, Blue Birds, and the Horizon group here, in keeping with the 43rd anniversary observances of other Campfire organizations throughout the world. Yesterday afternoon, members of all groups here attended the official "Birthday Party" at City School.

Following the tour of the water works Saturday morning, the Campfires will go to the U.S. Forest Service Conservation plant for further information.

The soil conservation program, entitled "Down to Earth," has to do with soil, water, fire prevention, as well as conservation. It is estimated that 370,000 Campfire Girls within the nation will be engaged in an intensive study of the soil and its needs.

Locally, the program comes at a significant time, considering the dry season and the effects of the Canyon fire that spread into the hills Tuesday morning.

Harry Lange Opens New Realty Office

Harry A. Lange, local real estate and insurance agent, whose office has been at 13 Kersting Ct. for 6 years, has opened a new real estate location at 300 East Foothill Blvd. in Arcadia.

The office, formerly Napier Realty Co., is under the management of Al Crowthers, specializing in upper Arcadia and Sierra Madre properties. Mr. Crowthers has been with the Napier office for the past five years.

Mr. Lange will remain at the Sierra Madre office.

The resident in the house that blazed to the ground at 595 Yucca, identified as Lester Ira Rhoades, was found burned to death in the charred skeleton of the hillside shack in which another corpse, five days old, was found Feb. 20. Rhoades, released 12 days later on a drunk charge, had delayed in reporting the dead man, R. Lambton Durham, because he said he thought Durham was sleeping.

With the removal of Rhoades' blackened body early Tuesday afternoon by Sterling Ripple, owner of Grant Chapel, the last tragic chapter in the history of the death shack was brought to an end. Nothing but ashes remains.

By the time the fire, reported at 10:54 a.m., had spread into the brushland beyond the cliff dwelling, Sierra Madre Volunteer Firemen were battling the blaze with water and shovels on the steep incline where three separate rivers of fire were sweeping in the direction of Mt. Wilson.

Fire Chief Jim Heasley, who believes the fire is the worst in Sierra Madre's history since the "Dairy Fire" 17 years ago, was the first of the firemen to spot the flames through a police call while he was checking the Alta Vista Fire Station in the near vicinity. His fast arrival at the scene with the Alta Vista fire truck gave the volunteers a head start in the job of unloading hose and setting up pumping equipment. Heasley later praised many of the Canyon residents who gave him a hand while trucks and cars from the downtown area raced through the Canyon's narrow, winding streets to unload the much needed manpower.

Carl C. Wilson, district ranger for the Arroyo Seco District of the Angelus National Forest, reports that approximately 60 Forest Service stations were later engaged in the flanking maneuvers that stopped the fire fighters from nearby U.S. fire's march into the mountains by 1 p.m.

Both Heasley and Wilson have expressed hope that the experience will alert residents in the community to the acute danger that develops each day in the present dry spell. The

BASSETT-WASHBURN PROPERTY SOLD TO MONTEBELLO GROUP

The subdividing of three-fourths of the former Bassett & Washburn Kentia Nurseries in Sierra Madre, long famous as one of the two largest Kentia palm nurseries in the world, may be begun within six months, according to Richard K. Wilcox, who says that subdivision is definitely planned.

Wilson, along with his brother, Franklin K. Wilcox, with whom he is part owner of the Keeline-Wilcox Nursery in Montebello, and their father, Roy F. Wilcox, also a nursery owner in Montebello, are the buyers of the estate which, according to Richard Wilcox, who is now operating it with his brothers, totals 23½ acres.

The Keeline-Wilcox Nursery has been Bassett & Washburn's greatest competitor, having 20 acres of Kentia palms under lath at Brea, California.

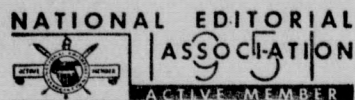

Plans of the new owners, Richard Wilcox says, include selling the palms that were part of the Bassett & Washburn property, moving the azaleas to Santa Barbara and keeping the camellias here.

The two flowers have been a specialty at Bassett & Washburn for a number of years, but the effects of smog have made it especially difficult for the proper development of the azaleas.

The Wilcoxes have announced that Allen Robertson, superintendent at the purchased nursery, will stay with the new management in the same capacity as before.

High Price - - Low Standards

Just as on Candlemas Day, the blunt nose of the groundhog emerges to test the weather, so has March become the traditional month for the question of the old Sierra Madre swimming pool to rear its familiar head to test the reaction of the public.

Each year the lack of a filter on the pool is noted, the hazards of traffic congestion in the canyon, and the fact that the pool is operated at minimum standards according to health authorities is reviewed. This year the Recreation Commission deemed it hazardous to operate the pool, considering it not to the best interests of the health and safety of the children.

The advisability of installing a filter system has been repeatedly recognized, and repeatedly abandoned because the operation of the pool does not warrant the expense. The expense, rather than the need, has been the issue.

Yet the pool is still used. It is permitted to operate because it meets the health requirements—but only the minimum requirements.

The Recreation Commission, civic groups, and many individuals are hard at work to provide an alternative. They do not intend to neglect the children of Sierra Madre.

Machinery has been set in motion to build a pool with donations, subscriptions, and funds raised by Sierra Madre organizations, and anyone willing to help.

It's up to the people to make the choice.

COL. E. T. MACKEY NOW WITH EIGHTH ARMY IN KOREA

WITH THE 8TH ARMY IN KOREA—Col. Elbert T. Mackey, whose wife, Flora, and four children live at 48 S. Lima, is now serving as troop information and education officer with the 8th Army in the Korean Communications Zone.

Col. Mackey entered the Army in 1918 and was commissioned a second lieutenant in the Kentucky National Guard four years later. During World War II he served in Hawaii, New Guinea and the Philippine Islands.

After World War II, Mackey served as commander of the 149th Infantry Regiment of the Kentucky National Guard and later with the Reserve Officers Training Corps at Lafayette College.

In the Far East, Mackey has been supervisor of printing and distribution of the Korean edition of Stars and Stripes and supervisor of an American Armed Forces radio station.

The Horizon Club's meeting at the home of Irene Snell March 10 featured Mrs. Gula Haggerty, representative of Beauty Creators of Los Angeles, as guest speaker. Mrs. Haggerty gave a talk on skin care while she demonstrated different types of cosmetics.

Other guests were Mrs. Bea Miller, Mrs. E. Carver, Mrs. Dewey McCreary, Mrs. Harold Cranch and Miss Carlyn Ruliam.

ITS NOW 'NORM'S GARAGE'

The new operator of "Norm's Garage," formerly "Arcadia Motors," at 22 E. Montecito, is Clarence Morrison, who worked here for the latter company until 1940, at which time he began his first of five years as an airplane mechanic at McClelland Field, Sacramento. He and his wife, Winifred, have taken over management of the shop since March 1.

'Magic Show' Nets Profit For Pool Fund

The Sierra Madre Swimming Pool Fund is ahead by \$14.58 because of a "Magic Show" staged by four sixth graders from City School before an audience of 200 children in the back yard of the W. W. Maloney home, 240 Adams, Tuesday afternoon, March 10.

Planned and rehearsed for three months, the show represented the combined efforts of Susan Maloney, Louise Lauder, Judy Haymaker and Carol Draeger, Susan, who used the near-professional equipment belonging to her grandfather, L. E. Bauer, performed such tricks as "sawing a woman in half"—the "woman" in this case being Louise Lauder.

Both girls, dressed in high silk hats and swallow tail coats, performed more than 50 tricks learned from Susan's grandfather and books in the library. Punch and cookies were served afterwards, with all expenses deducted before the \$14.58 was declared as a clear profit to help build the new swimming pool that has been proposed at City Park.

The girls expressed special thanks to Mrs. Maloney, Mrs. Bancroft, Kay Keith, Barbara Bancroft and Phronsie Thompson for their help.

● FIRE FLAMES

Facts and figures are notorious reading at times, but the figures representing the fire losses of the United States for the past year can be amazing and alarming. The total loss for the nation from January through December reached the staggering figure of \$731,405,000.

Sierra Madre added some part of this, and yet we were very fortunate. Our fire loss was lower than most cities in comparison. Considering the cost of operation, Sierra Madre has lots to talk about in regards to fire and fire losses. We can be proud of our water supply and the locations of fire plugs.

The interest shown by the volunteer members of the fire department is not a small factor in the success of the low fire losses and a few fires. The cooperation of the police department in their alertness to fire danger helps greatly. Residents who are ever watchful are prominent in preventing fires. The notification to the firemen of hazardous situations is the duty of any reliable citizen. If we continue to be fire safe, we will have to be constantly driving at its prevention.

There are thirty members of the fire department who are chosen because they are willing workers and interested in stopping fires. They must be able bodied and capable of doing any act needed to operate the equipment in emergency. The drills require much of their time and they give it gladly. The sociability of the organization is promoted by the men themselves and therefore the selection of members is done by the membership, which aids in retaining interest.

100% attendance is not unusual at meetings. The "Cuss Can" fund is provided from fines assessed by the Chief, who at times is fined by the members. This Fund is the source of pleasant parties held on occasions, where the fellows and the wives and girls make harmless whoopee. This portion of the activities is most vital in keeping otherwise very busy men interested in staying with the fire department.

The minister conducting the funeral was trying to find something nice to say about the deceased whom he had not known too well. Scanning through the floral wreaths, he was hopeful of what he would find on the wreath sent by the fire department, where the deceased had been a volunteer member. But what he found in the design of red roses was: "Gone to his last fire."

Since the growth of weeds has about reached the peak, it is earnestly suggested that they be removed before the dry season arrives. That good old garden hose attached and ready for use is much to be recommended. We are fortunate enough to have good water pressure and plenty of water in the Canyon district, and with a good stream from a garden hose, a lot of fire can be stopped.

The first lumber and building material used in the construction of the Mount Wilson Hotel and cottages was packed up the Sierra Madre-Mount Wilson Trail by William M. Sturtevant.

To The Public Served By SOUTHERN CALIFORNIA EDISON COMPANY

The following is copy of a letter which we have sent to all employees of Southern California Edison Company:

The wage issue in this continuing Strike, and the explanation of why it is impossible for Management to go beyond the offer of liberal increase already accepted by the C.I.O. Union, is further dealt with in ads appearing in the papers on Monday, March 16th or Tuesday, March 17th.

In this letter I want to return to and to deal, I hope finally, with the compulsory Union membership or "Union Security" issue. We continue to hear from some of you who have not returned to work, as well as from others, the fear expressed that Management may yet "give" on this issue and that you will be confronted with the danger of penalties which these Union Leaders might then have the power to impose upon you for your loyalty to your job.

The purpose of this letter is to remove once and for all any doubt or fear that the present management of this Company will ever consent to the imposition upon you of compulsory Union membership.

First of all, we refuse to do something which we do not have the right to do, under the excuse that we "could get away with it"; that "it is the easier way out"; that "the public would rather have you impose Union membership on your employees than to be bothered, threatened and inconvenienced by a strike"; and that "the governmental authorities will O.K. the Union Shop if you say the word." All of those arguments have been made to us. Then they were backed up with the force, the threat of violence, and the great public injury which this strike represents.

THAT WHICH IS DEMANDED IS WRONG AND THE USE OF FORCE AND VIOLENCE (THE UNCONTROLLABLE POWER OF A STRIKE), TO GET IT, MAKES IT DOUBLY WRONG.

The great majority of Edison men and women, and we are sure that (under a secret ballot) the great majority of the Union's members, are and would be against being compelled to join a Union.

As for the Managers of the Edison Company, we realize it would be much easier at this moment to say yes and thus get rid of the strain of this Strike and purchase a little more time at the expense of the freedom of our fellow-employees. We would still have our jobs.

For years now, business managers have given way in the face of threats of force. The managers could always rationalize and justify their action by arguments which, essentially, amount to saying that might makes right, and that the easier

way is the better way. To some extent, we of the Edison Company may have been guilty in the past of going along with similar arguments and giving in under pressures.

BUT ALWAYS THERE COMES A TIME WHEN TO YIELD FURTHER IS TO SURRENDER. IN OUR OPINION, THIS IS SUCH A TIME. HERE IS WHERE WE MUST TAKE A STAND. WE CANNOT AND WE WILL NOT SELL OUT THE LOYAL, HARD-WORKING, CONSCIENTIOUS PUBLIC SERVANTS WHO WORK WITH US IN THIS COMPANY, AND WHO ARE NOW WORKING LONG, ARDUOUS AND VERY TIRING HOURS TO KEEP SERVICE GOING, WHILE THEY ARE SAYING TO MANAGEMENT: "HOLD THAT LINE; DO NOT SELL US OUT TO THIS LITTLE GROUP OF IRRESPONSIBLE UNION LEADERS." OUR ANSWER, WE REPEAT, IS, "WE CANNOT AND WE WILL NOT DO SO."

These men have forced this strike not to remedy any wrong, not to attempt to correct some injustice, great or small; but simply and purely to get more power for themselves.

Since, we understand, consent of Management is necessary for this Union to get what it is asking, it is Management who would bear the responsibility for doing this great injustice to our fellow-workers.

We cannot give that which is not ours; and the freedom of our employees is not ours to give. To consent to this grab for power by these men who have shown themselves desperate and reckless enough to call this strike, which threatens health, safety and welfare, would be a betrayal which is simply unthinkable.

This is not heroics. This is not a grandstand play. This is simple common sense and "square-dealing,"—a stand taken by men who will, I assure you, never give in to these men in face of these threats, and now, speaking for myself only, I will further assure you that I will resign my position as President of this Company before I will give my consent. In other words, if the consent of the President of this Company is required in order to impose compulsory Union membership upon the employees of the Company, that consent if it is ever obtained will be obtained from some President other than the undersigned.

BILL MULLENDORE

SO WILL YOU STAND UP AND BE COUNTED?

For many years now, the American people have felt the menace to their liberty from the demands of the advancing and encroaching powerful leaders of pressure groups. Most of us have deplored this rise of naked power in the hands of irresponsible and reckless men. We have declaimed against it; and repeatedly through these years, many of us, seeing the burdens of rising taxes and other costs and the loss of freedom and opportunity for our children, have said: "WHAT CAN WE DO? IF ONLY WE HAD A CHANCE TO STAND UP AND BE COUNTED AGAINST THIS TREND OF AFFAIRS!"

Well, customers of the Edison Company, here is such a chance. If you want to help prevent the transfer of still more control over your electric service to such reckless and irresponsible men as those who are now threatening your health, welfare and safety, you can let us know that you support the Management of the Edison Company in their opposition to the imposition of compulsory union membership on those who are now loyally performing arduous work through long hours in attempting to maintain this vital electric service for you, over the opposition of these union leaders who are trying to interrupt it. It is your problem quite as much as it is that of this Company which serves you.

W. C. Mullendore, President
Southern California Edison Company

Veronica Warden To Appear At Playhouse

Next Tuesday, March 24, marks the return of Veronica Warden to the boards of the Pasadena Playhouse, in the world premiere of Frank Watron's comedy, "The Strawberry Circle." She is the wife of Hugh A. Warden and their residence here is 139 W. Bonita.

The play will be presented in the West Balcony Theater, and will run through March 28. The story concerns an Indian legend and its effect on a group of people, providing an evening of suspense and drama mixed with laughter.

Mrs. Warden appears in the role of "Gyp," an Indian dea-machina who is also part French and part Gypsy, but believes strongly in her Indian "medicine."

Playgoers will remember Veronica for her performances in the Mainstage productions of "Detective Story," "The Curious Savage," and "The Golden State."

North Carolinian Guest In Cason Home

Mr. and Mrs. Mac A. Cason, 462 Manzanita, have as their houseguest Mrs. Cason's twin sister, Miss Lillie Willis of New Bern, N.C.

Miss Willis arrived in Sierra Madre last Sunday and is remaining a few days before leaving by air for Honolulu. On her return from the Islands she will visit again with the Casons.

Hjordis Parker Requested In Repeat Performance At Civic

In response to the many local requests for a re-showing of "Saga of Modern Norway," Elmer Wilson will again present Hjordis Parker with her film lecture on Norway on Wednesday, April 8, at 8:15 p.m., at the Pasadena Civic Auditorium.

This will be the second showing of this film this season, and will give many people an opportunity to see it who were unable to secure seats Dec. 4 when the entire house was sold out in advance.

This is the same film that has won national recognition in the East and will be shown on the National Geographic lecture series at Constitution Hall, Washington, D.C., later in the year.

Hjordis Parker, a native of Norway, stresses the human side of the country and brings out interesting facts pertaining to its people that would be unknown to a foreigner to this country. Speaking Norwegian as fluently as English, she reaches beyond the scope of the average film lecturer in bringing personal, intimate glimpses of its people to the screen. Always, in the back-

ground, is the magnificent grandeur of Norway's mountains and fjords.

Hjordis, the wife of Don Parker, resides with her husband and two children, Don Jr., 17, and Elise, 14, at 193 Oak Meadow road, Sierra Madre. The Parker family have been residents of Sierra Madre for many years. Don having moved here from Los Angeles with his parents, Mr. and Mrs. H. C. Parker of 192 N. Baldwin avenue, in 1921. He graduated from Pasadena High School in 1923 and met Hjordis, then a student at Polytechnic High School of Los Angeles, while attending SC.

In addition to her film work, Hjordis is known to many friends in Sierra Madre because of her former active work with the Campfire Girls of this city. She is also interested in Boy Scout and Girl Scout work and in her film she shows interesting comparisons of the Norwegian Boy and Girl Scouts with our own.

Between lectures, Hjordis is currently spending her time in research on the country of Sweden, where she plans to make her next film. She will leave on a three months filming expedition through Norway and Sweden next May and is taking her daughter, Elise, along for her first trip to Europe.

Civil Defense Offers Rescue Study Mar. 26

The Federal Civil Defense Administration, in cooperation with the California State Office of Civil Defense, will conduct two Rescue Seminars in California, according to Col. C. R. Gildart, Sierra Madre's associate director in Civil Defense.

For Southern California the conference will be at Room 115, State Building, 217 W. First street, Los Angeles, on March 26 and 27, beginning at 9 a.m. The purpose of the seminars is to emphasize to local jurisdictions, especially in the critical target and target areas and their immediate support areas, the type of rescue training which must be conducted if the rescue units are to be prepared to handle the trapped victims that would result from attack by atomic missiles or other serious structural damage, and also the type of facilities required for that kind of rescue training.

Any Civil Defense personnel interested may attend. It is recommended that Civil Defense directors or their Rescue Service Chiefs and rescue training instructors attend wherever possible. There will be no tuition cost.

Applications to attend should be made in writing to Civil Defense, City Hall.

X-Ray Unit To Visit District Next Month

Arrangements are being made to move the County Health Department's mobile chest X-ray unit into Monrovia Health District next month in order that residents may obtain their annual chest X-ray, according to Dr. Chester C. Burski, District Health Officer.

The date for the unit's visit to Sierra Madre will be announced in the near future.

Completing Course At Eye Dog Foundation

Miss Anne Avon, 363 W. Sierra Madre Blvd., is completing the third week of training with her new guide dog, Rusty, at the Eye Dog Foundation in Azusa.

Taking time off from her musical career of song writing, Miss Avon works with her 47-pound boxer in traffic at Pasadena, Monrovia, Arcadia and Azusa.

The Eye Dog Foundation, which has trained and given more than 350 guide dogs to persons in all parts of the United States, heads its staff with Stewart Wiest, a canine

trainer in the Army during World War II.

Her final test in efficiency will take place at the end of the four-week period—a tour in downtown Los Angeles traffic. Then Miss Avon and Rusty will return to Sierra Madre.

Sculpture Of Howard Whalen On Exhibition

The work of Howard Whalen, Sierra Madre artist who lives with his wife, Jo, at 686 Woodland drive, is now on exhibit at the Hotel Statler in the Francis Lynch galleries.

Whalen, whose sculptured piece, "The Mask," won first prize at a Pasadena Art Institute exhibit of San Gabriel Valley artists about a year ago, has been a designer here in ceramics and other materials for seven years.

The present exhibit in the Lynch galleries will last through the month of March, with other showings of contemporary artists, including Whalen, planned for succeeding months.

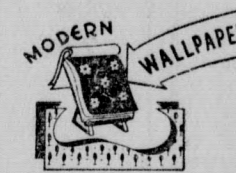

Among California's 30 Congressmen 17 are Legionnaires.

REDDY KILOWATT SAYS:

"count four...FOR KITE FLYING SAFETY!"

One reason kite flying is such a popular sport is that it's so easy. Everyone, young or old, can enjoy it. And what's more, anyone who can count to four can fly kites safely. That is, if you let each number remind you of one of the kite flying rules, as your friend Reddy Kilowatt is doing!

- 1 Fly your kites in an open field, away from electric power lines and other overhead obstructions.
- 2 Be sure the string is perfectly dry.
- 3 Never use wire, tinsel or metallic string.
- 4 If your kite catches in a power line, let go immediately. Don't pull! Phone the company owning the line and a lineman will get your kite for you.

MISS SHIRLEE S. PETERSON, above, will become the bride next year of Robert M. Hubbert. Her engagement was announced some time ago by her parents, Mr. and Mrs. S. E. Peterson, 50 E. Alegria.

Shirlee Peterson Plans Wedding For Spring of 1954

A spring wedding in 1954 is tentatively planned by Miss Shirlee S. Peterson of Sierra Madre and her fiancé, Robert M. Hubbert. Miss Peterson's parents, Mr. and Mrs. Selmers Edwin Peterson, 50 E. Alegria, formally announced the couple's betrothal earlier this year.

Miss Peterson also told her engagement news to her Pi Beta Phi sorority sisters when she passed chocolates at the sorority house.

The bride-elect was graduated from the Muir College lower division and attended the University of California where she pledged Pi Beta Phi. At Muir she was an officer of Associated Women Students and a member of Adelpheans and Flag Twirlers.

She is a fourth generation Californian and has resided for 12 years in Sierra Madre where she attended the City School. Her fiancé is the son of Walter Melvin Hubbert of El Monte and Mrs. William Johnson of Redding.

FRIENDSHIP CLUB PARTY

Mrs. Etta Leguin, president of the Sierra Madre Community Friendship Club, entertained last Thursday with a "St. Patrick's Party" at her home 169 W. Montecito, in a membership get-together to acquaint new members with others in the club. Approximately 20 guests attended.

A girl, Penelope Lee, was born to Mr. and Mrs. Palmer Ford of 390 Mariposa in the Kaiser Hospital in Los Angeles, February 20. Penelope weighed 6 lbs. 1 oz.

Here for the event, and for a visit with the Fords in their home, has been Mrs. Ford's mother, Mrs. Francis A. Maulsby of Buffalo, N. Y. Mrs. Maulsby plans to continue her visit with her new granddaughter until April.

Friday the 13th was a lucky day for Mr. and Mrs. William Howard Morse, 3780 Cartwright, Upper Hostings, for Mrs. Morse returned home that day from Huntington Hospital with their son, William Howard, II, born March 8. He weighed 8 lbs., 6 ozs. Mrs. Morse is the former Ruth Miles of Sierra Madre.

Michael Anthony, their fifth child, was born March 10 in St. Luke hospital to Mr. and Mrs. Thomas J. Nestor, 57 W. Grand View. His brother and sisters are Tommy, Patsy, Mary Theresa and Kathy.

A daughter, Madeline, was born March 10 in St. Luke hospital to Mr. and Mrs. Carl T. Colaianni, 495 W. Sierra Madre Blvd. The Colaiannis have two other children, John, age three and a half, and Patricia, age two.

Mr. and Mrs. E. W. Beutler, Jr., of Glendora, formerly of Pasadena, are parents of a daughter, Sandra Kay, their first child, born March 8 in St. Luke hospital. The junior Mrs. Beutler and Sandra Kay are staying for a short time with Mr. Beutler's parents, at 409 Ramona.

A son, Leonard Gregory, was born March 3 in St. Luke hospital to Mr. and Mrs. A. L. Harris of Hollywood, formerly of Sierra Madre.

SIERRA MADRE TRIPLETS

Triplets were born on St. Patrick's Day, March 17, to Mr. and Mrs. Roman William Goebel, 57 West Laurel. The three boys, delivered at Glendale Sanitarium, have been named Lawrence, Michael and Jerome. The Goebels have three other sons: Danny, who will be 5 in May; Jimmy, to be 4 in April, and Johnny, who celebrates his second birthday in May.

Teen Talk.

Well, what with the warm weather, if spring fever doesn't get us now, it never will. Lazy baseball weather! At school you would think the teachers would have a hard time holding the classes' attention; actually their tough job is fighting spring fever in themselves! One more proof that teachers are people!

The Canyon Vacqueros, a club whose interest centers around horses, went on a breakfast ride Saturday, Mar. 7. They rode in the vicinity of the Rose Bowl and had breakfast en route. Enjoying the ride were Charlene Boorman and Joan Donovan from Sierra Madre and Mary Helen Chubbuck from Coronet Homes.

Ruth Gerke, Molly O'Donnell and Flo Pascoe attended a shower given in the home of Sharon Shirley of Pasadena in honor of Mrs. Janis Ferason recently.

Mrs. Tierney Chosen President Of Club

Mrs. John B. Tierney, 3740 Newhaven Road, recently received the honor of being elected as president of Club Las Modernes, a social service club of Pasadena. Also, Mrs. Peter Hurtig, 3445 Landfair Road, was another Ranch lady to be chosen as an officer in the club. She will be their secretary for the coming year.

Among the members of this active organization, which meets twice a month at the

Michillinda Woman's Clubhouse, are other Ranch residents, Mrs. John Gardner and Mrs. Hugh Cressman.

Church School Members Meet at Chaffee's Home

Mr. and Mrs. Fred E. Chaffee, 625 Cliff drive, entertained a group of about 40 visitors in their home recently. They were members of the Sunday school class of the Nazarene Church in Alhambra, to which the Chaffees formerly belonged before moving to the ranch.

Birthday Celebrated By Suzanne Reinhart

Suzanne, daughter of Mr. and Mrs. Jack K. Reinhart, 1280 Coronet, recently celebrated her sixth birthday with an afternoon party for her small friends. Those arriving to enjoy the games and refreshments were Paula Ganns, Pam Milldrum, Jimmy Clarke, Joel Rudnick, Scherry Jaquess, Terry Raymond, Susie Ann Leslie, John Wardlow and the hostess' brother, Johnny.

If you have news—call us.

Mayfair Couple Has Twins To Make Family

Mr. and Mrs. Philip H. Burch, 3794 Mayfair Drive, have wanted a family for seven long years and their wishes were fulfilled recently when they were presented with their complete family in one day.

The Burches became parents of twins, a boy and a girl, on March 4, at Huntington Memorial Hospital in Pasadena. The boy, Michael Bauman, is the older of the two; however, his weight of 5 pounds 13½ ounces made him the lighter. The girl, Patricia Hartman, upon her arrival, tipped the scales at 6 pounds 1½ ounces. These are happy as well as busy days in the Burch household.

Twins, in the Ranch, are few and far between; however, it seems that this is the second pair to arrive on Mayfair Drive, those of the Robert C. Langsetts having arrived there about two years ago.

Dr. Haas in Lecture Series

Dr. Robert B. Haas, outstanding speaker on educational subjects, is the featured speaker in a series of Parent Education Meetings at Field School, being held during March and April. Dr. Haas heads the Ex-

Dr. Robert B. Haas

tension Division Education Department at U.C.L.A. and has just returned from Bremen, Germany, where he was United States Exchange Specialist in Adult Education.

This Parent Education Series is sponsored by the P.T.A. organizations of Don Benito and Field Schools, under their committees on Parent Education. Chairman of the Field School committee is Mrs. Jack Osborn and the Don Benito committee is headed by Mrs. Arthur Shipman.

On Wednesday night of this week Dr. Haas spoke on the subject, "The Young Child in an American Community." He will speak next Wednesday night at 7:30 at the Field School Cafeteria on "The Young Child in Other Cultures." Parents, as well as any others who are interested, are invited to attend this series. Dr. Haas' lectures will be followed, each time, with a question period.

Goodells Give Party For Older Daughter

Diana Goodell, 3880 Landfair Road, celebrated her 8th birthday on Sunday, March 8, with a lovely birthday party put on for her by her parents, Mr. and Mrs. Everett M. Goodell.

A treasure hunt, complete in every detail, was one of the most exciting bits of entertainment arranged for the guests. Those from the Ranch who attended Diana's party were Alexandra and Cassandra Renzetti, Rene Kootz, Diana Brown, Janet Cress, Dorcas Fey, Timmy Doyle, Nancy Millikan, Gary Nousekian, Julia Pauloo, Bill Taylor, Martin Smith, Dianne Wilson, Rickey Niederman, Sandra Wilkerson and Diane Fenger.

Merrill L. Johnson Returns From East

The friends and neighbors of Merrill L. Johnson, 1150 Coronet, are welcoming him back in California after a five months business stay in Minneapolis. Mrs. Johnson and their children, Keith and Gail, remained in the family home while Mr. Johnson was in the East.

Mr. Johnson has two brothers and their families living in the ranch, Mr. Orville Johnson and Mr. Loren Johnson.

Ranchettes . .

Mr. and Mrs. Donald E. Becker, 1026 Cynthia, have a new son, Donald E. II, born March 3 at St. Luke Hospital and weighing 9 pounds 3 ounces. The Beckers have a daughter, Alexandria Gary, 5. Mr. Becker's mother, Mrs. Edward L. Becker of Whittier, is visiting her son and his family.

Mr. and Mrs. Jack S. Novak of 1340 Rexford are the parents of a new son, Stanley Martin, born at St. Luke Hospital March 8 and weighing 8 pounds 4½ ounces. The Novaks have a daughter, Christine Virginia, 3½.

Mr. and Mrs. Bernard J. Miller, 1370 Tropical, have added another son, Jeffrey Thomas, to their family. The new arrival put in his appearance March 5 at St. Luke Hospital and weighed 7 pounds 13 ounces. The Millers have two other sons Jimmy, 8, and Mike, 5.

St. Joseph's Table Set Today In J. T. Oster Home In Ancient Observance

A custom which she says is comparatively uncommon in California will be observed today and tonight by Mrs. J. T. Oster, 730 Alta Vista drive, when she holds open house and serves delicacies from the St. Joseph's table which she has prepared in her living room.

ALL-DAY SESSION IN PROGRESS TODAY AT FIRST BAPTIST

The first all-day meeting of the Women's Missionary Society of First Baptist Church is in progress today in the church at 49 S. Baldwin.

The meeting, the luncheon at 12:30 today and this afternoon's program are open to any women interested in the church's activities, whether they have attended previous meetings or not. Men of the community have been invited to the afternoon session when Miss Madge Hill, guest speaker, will talk on the subject, "Information and Inspiration." Miss Hill is missionary representative and visitation minister of the Baldwin Hills Baptist Church.

During the morning session beginning at 10 a.m. reports were to be heard on local work and on state, national and foreign work of the Mission Board of the General Baptist Conference of America.

Nursery accommodations will be provided for women attending today's meeting with young children.

REMODELING UNDERWAY

Rev. Roy Reed Gibbs, pastor of the First Baptist Church, has announced that an extensive program of expansion and remodeling to the church structure has gotten underway.

The renovation program will include a new, larger platform to accommodate the new choral group, a baptistry to be built under the platform, new rest room facilities, refinishing of two Sunday School rooms and modernizing of the kitchen.

A new front walk will be laid this week and further landscaping will be completed. A large bulletin board and mission map have been placed in the church and blackboards are being provided for the Sunday School rooms.

Today is the Saint's Day and, as is the custom in some European countries and in the eastern state where Mrs. Oster formerly lived, Mrs. Oster is solemnly observing the day in keeping with a vow she made more than a year ago when illness struck in her family.

Covered with the finest cloth available and laden with flowers, specially baked loaves of bread and many delicacies, as well as a picture of St. Joseph, the table and her home will be blessed, Mrs. Oster says, by the priests from St. Rita's Church.

Three places are laid at the St. Joseph's table, symbolically, for Joseph, Mary and the Child Jesus. Three children have been chosen from among the Oster's friends to represent these and they will be served first from the table. After that, friends and neighbors who are acquainted with this custom will pass through the Oster home, receiving food from the table and, if these, too, should be their patron saints, the visitors will leave gifts on the table, later to go to the respective children.

In New Jersey, where Mrs. Oster once lived, and other places in the East, particularly among old Italian families, where this custom is widely observed, hundreds of people might pass through a home during an observance. In fact, the open houses sometimes precede and follow St. Joseph's Day in order to accommodate the crowds.

At times Mrs. Oster has gone to as many as six or eight St. Joseph's observances in a day or several days.

The Oster's came to Sierra Madre three years ago and illness in her family has prevented the completion of their home here.

FILMS PLANNED FOR CONSERSO MEET

A Canadian travel film in color and a health film will be shown Tuesday night, March 24, at a meeting of the Conserso scheduled for 8 p.m. in the Congregational Church parlor.

Mrs. F. A. Franco will be hostess for the evening assisted by Mrs. Marcus Woodward and Mrs. Betty Benson.

Here Is Real Sunday Giving

Last spring E. S. Thornberry's work took him to a small mill community on Valley boulevard, five miles west of Fontana. Being a devoted church man and a teacher in the Sunday School of Sierra Madre's Bethany Church, Mr. Thornberry couldn't avoid seeing the community's real need and little prospect of a non-denominational Sunday School for its children.

Today, less than a year later, the community has such a Sunday School with an enrollment of 50 children under 11 years of age, three teachers, and a meeting place, all through the personal efforts and contributions of Mr. Thornberry and his wife, who live at 70 E. Highland. What is more, the Valley Sunday School soon will have its own home.

To make it possible the Thornberrys have made a 76-mile round trip by car every Sunday since May 18, 1952, to organize the school and give instruction based on the Bible and on Children for Christ literature. Mr. Thornberry and two other volunteers teach and Mrs. Thornberry is general manager.

Personally they have defrayed the expenses of the school and saved the Sunday School contributions until recently they found they had sufficient money to make the down payment on a three-room cottage which in about six weeks will be the new meeting place, in contrast to the vacant gasoline station which they have been using.

In order to complete the interior of the Sunday School's new home and ready it for use, Mr. Thornberry will start making Saturday trips to Fontana to do the necessary work.

The Valley Sunday School is a member of the American Sunday School Union and in the event the Thornberrys are unable to make the trip to Fontana some Sunday, which hasn't happened yet, the Union will provide a replacement for them.

It has been the custom for Mr. Thornberry, as superintendent, to inscribe the week's Golden Text from the Bible on a large blackboard which is readily seen throughout the week through the large window of the filling station, the temporary meeting place.

As a result a miscellaneous collection of what may be designated as "Community literature" has been left regularly at the filling station.

WILL SEND 200 FROM SIERRA MADRE TO C.E. CONVENTION

Young People of Bethany Church have shown their support of the annual county Christian Endeavor convention in May by registering 80 thus far and setting an attendance goal of 200 from the local church. The convention is scheduled for May 1, 2 and 3 in Long Beach.

Approximately 20 young people from Bethany attended the Christian Endeavor's divisional spring banquet last Friday night in the Lake Avenue Congregational Church in Pasadena. At that time approximately \$1000 was pledged by the young people to the County Christian Endeavor which maintains a summer camp, Tahquitz, at Idlewild. The camp is attended by a number of boys and girls from Sierra Madre.

DELINQUENCY TALK AT ANGELUS MEET

Shannon Burke of the Los Angeles County sheriff's office will be the speaker tonight at the regular monthly meeting of the Angelus Guild of the Church of the Ascension.

The meeting at 8 o'clock in the parish hall will be preceded by benediction at 7:45 p.m. Mr. Burke will talk on juvenile delinquency. The program has been arranged by John Powell. Refreshments will be served after the program. Mrs. Dave Stevens is chairman.

R. I. YOUNG BURIED IN MILITARY RITES MAR. 12, SAWTELLE

Military funeral and interment services were held last Thursday morning, March 12, at Sawtelle for a Sierra Madrean, Richard A. Young, 406 E. Highland. Young died Sunday, March 8, at the age of 45, after a lingering illness and a series of many operations which he underwent prior to and after his total disability discharge from the Navy.

During World War II, Young was assigned to the Treasury Department and served in this country under full security regulations.

He is survived by his mother, Mrs. Elma Young of Sierra Madre, and a cousin, Capt. Ansel E. O'Banion, 337 Camillo, Sierra Madre.

Young and his mother had been living for the past 10 months in St. George, Utah, where they had gone for his health. About a month ago Mrs. Young returned to Sierra

Madre to consider disposing of their property here. During that period Mr. Young became ill again and returned to California to enter the San Fernando Valley Veterans' Hospital, where he later died.

Mrs. Young is expected to return today from St. George, where she went immediately after her son's funeral, accompanied by a neighbor, Mrs. M. A. Bell. Mrs. Young now will remain in her home at 406 E. Highland.

Attending the funeral from Sierra Madre were Murdo McIvor, Gil Grant, Mrs. Robert Rhodes and Mr. and Mrs. M. A. Bell.

SCOVILLE SISTERS

The Scoville sisters, Marileen and Marjorie, were guest artists at the Federation of Women's Clubs Annual Convention last week. Playing marimba, vibra-harp and piano, the sisters made their appearance before approximately 1200 women in the Pacific Ballroom at the Hotel Statler.

Daughters of Mr. and Mrs. M. J. Scoville, 272 W. Grandview, they have been invited to play at the Rose Bowl Easter Sunrise Service. Their appearance yesterday marked their 234th engagement.

One-half of all hospitals last year received blood donated through the Red Cross for treatment of ill or injured civilians and servicemen.

Moreland Kortkamp
Back in New York
After Visiting Here

Miss Moreland Kortkamp, concert pianist and USO entertainer abroad, has returned recently to her home in New York City after a fortnight's visit in Sierra Madre, her first in seven years. She is the daughter of Percy C. Kortkamp, 460 W. Montecito.

Miss Kortkamp just recently returned to this country after a three-month tour of Europe as a member of a piano duo team with a USO unit. Now that she has had, for respite, this visit with her family, many girlhood friends and musical associates in Sierra Madre and the Los Angeles area, she returns to the East for auditions, summer study and plans for winter engagements and possibly another USO tour, which would be her fourth.

Her friends made so many opportunities to be with Miss Kortkamp and entertain for her that, during her stay here, with her father and Mrs. Kortkamp, they had little time together.

One of the largest parties in her honor was a tea recently at which Mrs. Kortkamp and Mrs. George Morgridge, entertained in the latter's home at 19 W. Orange Grove. Miss Kortkamp had the opportunity then of visiting with approximately 50 of her friends and those of her family. Mrs. Morgridge was the pianist's first teacher.

After studying as a child with Mrs. Morgridge, Miss Kortkamp went on to study with Miss Clara Ingham of Monrovia until, about 14 years ago, she received a series of scholarships at the Juillard School of Music in New York City and has made her home and furthered her career in the East since then.

In addition to other parties, dinners and musical events which she has attended during her stay here, Miss Kortkamp renewed an acquaintance with a former Sierra Madrean, Mrs. Milton Steinberger, who drove to Los Angeles from her home in Phoenix that she might lunch with the visitor. Miss Kortkamp also had news of another Sierra Madrean resulting from her visit in England with the former Sarah Schwartz of this city, now married to a Briton.

ORDINANCE No. 530

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, CALIFORNIA, AMENDING SECTIONS 1 AND 7 OF ORDINANCE No. 460 OF THE CITY OF SIERRA MADRE PERTAINING TO THE COLLECTION OF GARBAGE AND OTHER MATERIALS, ADOPTED NOVEMBER 26, 1946.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES RESOLVE AS FOLLOWS:

SECTION 1. That Ordinance No. 460 of the City of Sierra Madre, entitled "An Ordinance

of the City Council of the City of Sierra Madre, pertaining to the collection of garbage, non-combustible household refuse, trimmings and combustible materials, and providing for the collection thereof and for fees to be paid for the services in connection with such collections," adopted November 26, 1946, be and the same is hereby amended by amending Section 1 of said Ordinance to read as follows:

"SECTION 1. DEFINITIONS. Unless it is apparent from the context that another meaning is intended, the following words and terms, as used herein, shall have the meaning attached to them by this section:

A. "Person" shall mean and include firms, corporations, associations, partnerships, societies, church organizations and individuals.

B. "City" shall mean the City of Sierra Madre.

C. "Garbage" shall mean and include all refuse, animal, fruit or vegetable matter that attend the preparation, use, cooking, consumption, decay, dealing in or storage of meats, fish, fowl, fruits or vegetables.

D. "Non-combustible rubbish" shall mean and include waste materials including glass, tin cans, metal bottles, crockery together with miscellaneous scrap, including but not limited to metals from maintenance or repair of homes and yards and from the replacement of furnaces, water heaters, electrical equipment, wash tubs, bed springs, lounge chairs, fences, wire screens, ornamental iron, nursery cans, minor automobile parts, and other similar waste materials, provided, however, no piece or parcel of any such material or materials shall weigh in excess of one hundred pounds (100 lbs.) or be in excess of eight (8) feet in length.

E. "Combustible rubbish" shall mean and include all refuse, paper, wood, packing materials, rags, garden, tree, shrubbery and lawn trimmings and cutting leaves, discarded combustible building materials arising from building maintenance or minor alterations and other combustible waste materials which may be readily consumed by fire, but shall not be construed to include gar-

Well, it looks like this is going to be the last issue that will be on the Crusaders, as much as we hate to say it. That is, for another year. You all know what happened to them last week at Kansas City, so we won't say more. (They lost.) After all, we can't predict them all, but wait 'til next year, folks, and we really mean it! We're going to get behind this fine outfit again next year because we know they are going to have one of the finest basketball teams in California. The reason we say this is because practically the whole team will be back. We salute the Crusaders for a terrific season!

What is this? They are thinking of closing the Canyon pool? Oh, no! Why, why, why, do they have to close it right now? Yes, we know the parking is bad, but we could fix that up easy enough. What I don't like about this idea is, what are they going to do with the children that love to go swimming on hot summer days? They're sure not going to go to Arcadia or Pasadena. What are they going to do with themselves? Here's hoping they leave it open until we get our new swimming pool, anyway.

It was a game in a small minor league. The shortstop carefully turned his head, covered his mouth with his glove in back-handed style, said softly to the second baseman, "How many are out, two or three?" "Two," replied the second baseman.

"Gee, that's right," brightly quoth the shortstop. "If there were three we wouldn't be out here, would we?"

ADOPTED CHILDREN' TOPIC

Mrs. Isabelle Buckley, founder of the Buckley Schools, will speak on the subject, "Child's World," at the next regular meeting of the Adopted Children's Association, according to Ruth Dean, retiring president. The date of the meeting is Tuesday, March 24 (8 p.m.), at the Griffith Park Auditorium.

bage, tin cans, rocks, dirt, concrete, metals, auto parts, or other similar non-combustible materials, nor heavy trees and branches."

SECTION 2. That said Ordinance No. 460 be and the same is hereby amended by amending Section 7 of said Ordinance to read as follows:

"SECTION 7. The following fees are hereby established as the fees to be paid the City for services rendered in the collection and disposal of garbage, and of combustible and non-combustible rubbish:

(a) For each single family or duplex dwelling, \$1.00 per month;

(b) For commercial establishments which shall include apartment houses, multiple family dwellings, hotels and similar dwelling units, or for unusual accumulations of garbage, combustible and non-combustible rubbish, or for all other places not otherwise provided for herein, rates shall be charged as may be agreed upon between the City Administrator of the City and the person or persons from whom such garbage, combustible and non-combustible rubbish is collected, but in no event shall the fees for the collection and removal of non-combustible rubbish or combustible rubbish exceed the following:

For any load which can be placed on the truck in fifteen (15) minutes or less.....\$2.00

For any load of sufficient size to require more than fifteen (15) minutes and less than thirty (30) minutes.....\$3.50

For any load of sufficient size to require more than thirty (30) minutes and less than sixty (60) minutes.....\$7.00

All payments made under the provisions of sub-section (b) hereinabove shall be collected by the person employed by or designated by contract with the City so to do."

SECTION 3. The City Clerk shall certify to the adoption of this Ordinance and prior to the expiration of fifteen (15) days from the passage thereof shall cause the same to be published once in the Sierra Madre News, a newspaper of general circulation, published and circulated in the City of Sierra Madre, and thirty (30) days from and after the final passage thereof said Ordinance shall take effect and be in force.

HEREBY CERTIFY that the foregoing Ordinance was adopted at a regular meeting of the City Council of the City of Sierra Madre, held on the 10th day of March, 1953, by the affirmative vote of at least three (3) Councilmen, to-wit:

AYES: Councilmen James Hawkins, Eaton and Korsmeier.

NOES: None.

ABSENT: Washburn.

Haskins Home Scene
Of USC Sorority Party

The home of Miss Maryanna Haskins, 171 W. Orange Grove, was the setting recently for a pledge-active member dance of the USC Chapter of Pi Beta Phi sorority of which Miss Haskins is a pledge.

Approximately 80 young people attended the dance which marked the end of the winter rushing season.

Miss Haskins, daughter of Mr. and Mrs. S. M. Haskins, is a junior at USC. She previously attended Mount Vernon Junior College in Washington, D.C.

What a wonderful thing the telephone is for making dates! We are sorry that some folks are still without telephones but we are doing our best to bring them to everyone.

Last year we spent nearly \$4-million to improve and extend service—this year construction budgets call for \$4½-million more.

PACIFIC ELECTRIC TO BE PURCHASED

Negotiations leading to the purchase of the passenger service of the Pacific Electric Railway Co. by a group headed by Jesse L. Haugh of San Diego for approximately \$8,000,000 have been reported by O. A. Smith, president.

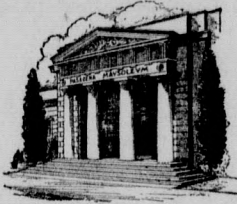

Sale of the vast system serving 125 communities in four Southern California counties is subject to approval by federal, state and municipal regulatory bodies which may require several months.

Haugh represents Western Transit Systems, Inc., which negotiated the purchase. He said that a new corporation, with headquarters in Los Angeles, will be formed to operate the lines.

The system of electric cars was extended to Sierra Madre in 1906. In 1950 the company made a changeover here from rail to bus passenger service.

One out of every 10 persons in the United States received some kind of Red Cross assistance or training last year.

Emma Mary Andresen Passes Away Mar. 12

Mrs. Emma Mary Andresen, who had lived in Sierra Madre since 1913, died in Ventura last Thursday, March 12, at the home of her niece, Mrs. Helen Sadler Starr, 110 Lincoln Drive. She was 85.

Mrs. Andresen at one time had been in the dry goods business here with her brother-in-law, Joseph Sadler, now deceased. She left Garland's in 1950 after 10 years of employment there. A native of Champaign, Illinois, she had been a member of the Sierra Madre Bethany Church.

Besides her niece, she is survived by a nephew, Stafford C. Sadler of La Crescenta. Funeral services were Saturday afternoon at Grant Chapel, with Rev. H. Vernon Harris officiating.

Entombment is at Grandview Mausoleum, Glendale.

RESCUE CREW

starting up the trail with the injured boy when the crew met them and brought the hurt youth to Chantry Flats. They were assisted throughout by Temple City sheriffs.

Fred Lalone, Don Jackson, Ed Wodrich, Robert Jenkins, George Black and Vint Hoegge answered the Mt. Wilson call. Black and Hoegge were driven to Henniger Flats in an Altadena Sheriff's Station jeep and started their climb to Mt. Wilson. The others went up the Wilson trail in Little Santa Anita Canyon.

When the Wilson trail group was challenged by the dog, which had led the boys to a safe perch it sat out the night, the rescue men took the trio to a Sheriff's car, where it was discovered the dog had suffered lacerated feet in keeping the boys away from a cliff.

SIERRA MADRE CANYON

From page one

speed with which fire can spread was pointed out by Wilson, who told of the fire near San Diego in 1951 that raced through the countryside for 63 hours at the speed of 1000 acres per hour.

Heasley believes that although Sierra Madre's Volunteer fire fighters are the best in the world the community is in constant danger of a disastrous fire unless all individuals are constantly on guard against such a possibility.

The simple garden hose, he says, can play a heroic part in such eventualities, as was demonstrated Tuesday when many residents within several blocks of the Canyon fire showed presence of mind by "wetting down" their homes and foliage to protect their property against fragments of fire carried by the wind.

Exact cause of the fire in Rhoades' home has not been determined.

Although one report stated that the fire was caused by a blast from Rhoades' gasoline stove, no exact cause has as yet been determined.

Proof that numerous fairs were held in Biblical times may be found in the 27th Chapter of the Book of Ezekiel.

'DEACONS DINNER'

Rev. Carl Smith will be the guest speaker at the Masons' "Deacons Dinner" Friday, March 20, at the Sierra Madre Masonic Temple. Thurman A. Corneth, senior deacon, and William E. Bower, junior deacon, are co-chairmen for the program that will include color motion pictures of Glacier National Park.

THEFT REPORTED AT DAVIS HOUSE

The antique pump organ at the old Davis house, 150 W. Grandview, which was pictured in a Los Angeles newspaper last Sunday, was reported stolen the following day.

The property, which will be razed, has been sold to City School for \$4000.

On a weekly average, more than 600 families suffering injuries or losses from disaster were given Red Cross rehabilitation and emergency aid last year.

Brother Of Resident Hurt In Plane Crash

Robert McFadden, brother of Mrs. Jesse Thompson of "Thompson's TV Towne," was seriously injured in the plane crash Sunday afternoon, March 8, five miles west of Riverside. Of the three other men aboard, two were killed and the third suffered severe injuries.

All four were said by the Riverside Sheriff's office to have been U.S. Air Force personnel from March Air Force Base. The plane, a converted Army

trainer, was reported to have been recently purchased by one of the men who was killed.

The two injured men were taken to the U.S. Naval Hospital at Corona. Mrs. Thompson has been told that her brother may be hospitalized for six months.

When Pacific Electric Railway Co. service reached Pacific City, Calif., in 1904 the townspeople were so delighted that they changed the settlement's name to Huntington Beach, honoring Henry E. Huntington, then Pacific Electric president.

Easter services will be held at the Wistaria Vine on Easter Sunday at 5:45 a.m. Seating capacity will be provided for 400

people in the program of choir and organ music, with Rev. Walter Mees presenting an Easter sermon.

Again for '53...

It's America's lowest-priced V-8!

White sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.

And the world's most famous engine is just one of the 41 "Worth More" features in the '53 Ford!

110-H.P. V-8

Ford's V-8 is the type of engine more and more car makers are swinging to, yet it's America's lowest-priced V-8. Ford's the only car in the low-price field that offers you this worth more V-8 power. And with Ford's high-compression 110-h.p. V-8 you save on every gallon, thanks to Ford's Automatic Power Pilot.

Ford advances include a trend-setting Crestmark Body... a curved one-piece windshield and car-wide rear window... easier working suspended foot pedals... convenient Center-Fill Fueling... and more responsive springs and shock absorbers to give you a new kind of ride.
